# SuperMetal

UNITED KINGDOM

Fitting a SuperMetal wheel is like fitting an original wheel,  
homologated to European regulation by TÜV.

All of our wheels are engineered to be optimum load  
and minimum mass.

Our latest clear coat version 4.0 has been specially  
developed for dry application, ensuring an even coat  
over all parts of the design, regardless of complexity.

Our warranty gives peace of mind for 2 years.
